

Father's House Fall Conference

Theme

"Spiritual Warfare & Deliverance"

Someone may ask, "Can Christians be possessed by the demons?" The answer is absolutely "NO!" LORD Jesus is our LORD and Master, our God and King, and there is absolutely no other. However, demons can influence our daily activities through various means. For example, have you ever experienced moments in which you were not in control of your life, and had moments in which you thought something came over you? Have you ever wondered why you did exactly opposite of what you wanted to do? Ephesians tells us that there may be more than our will at work.

Ephesians 6:12 says, "For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms." Of course, we, ones who believe in the LORD have the power & authority to triumph over the spiritual warfare and all demonic oppressions. However, we often fall short of walking triumphantly, when we do not understand the spiritual warfare and its influences. The bible says that even "my people are destroyed from lack of knowledge."

The good news is Jesus came to destroy all works of the devil, 1 John 3:8. He has set us free and wants us to be triumphant over the influences from the enemy. We want to understand the schemes of the enemy so that we may be victorious, 2 Corinthians 2:11, stand firm, triumph, and be free to live our lives to the fullest. So, join us for a time of equipping and freedom! Come expecting your miracles and LORD's deliverance.
