

**Are you a king and a priest?
Your time has come to be an apostle
in the marketplace!**

*Welcome to
Father's House*

Host Pastors
John & Michele Park

Melchizedek. How much do you know about this important person in the bible? The most do not know who he is. However, did you know that he was such an important person that "even the patriarch Abraham gave him a tenth of the plunder!" Hebrews 7:4.

The bible tells us that this Melchizedek was the king of Salem and the priest of God Most High. He was both a king and a priest, and he was the first of those who are effective both in the church and in the workplace. Therefore, he is the forerunner of all kings and priests, such as David, you, and even Jesus. No wonder the bible tells us that our LORD Jesus is not of the Levitical order (He is from the tribe of Judah, not of Levi), but in the order of Melchizedek. Hebrews 7:17.

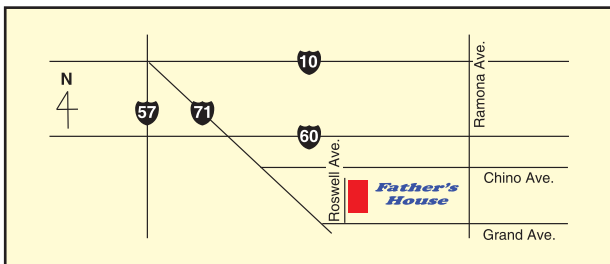

Yes, we are called to be effective both in the workplace and in the church. In fact, since the death and resurrection of our Lord Jesus, you and I are called to be both kings and priests. No longer limited to the priesthood of the Levitical order, but released into the fullness of the Melchizedek order; we are kings and priests. Revelation 5:9-10.

So, come and be ministered by those who are the modern day kings and priests; the marketplace apostles. Renew your vision in the Kingdom of God, and receive the Anointing to be successful in all you do. Rise up and become the marketplace apostles!

Greg & Brenda Im

Raised in desperation and poverty in Korea but educated as an engineer, Greg married his American English teacher. Greg and Brenda came to the United States to begin their family and pursue the American dream. They climbed the ladder of success—building a number of successful companies encompassing the high-tech, nutrition and marketing industries. Yet in spite of all this personal and business success, an inner emptiness remained that kept Greg asking, "Is this all there is?" and "Why do I lack purpose and destiny in my life?" God answered Greg's questions by calling him to a life of faith and surrender. Today, Greg and Brenda are the founders and CEO of Impax World, Impax World School of Life, and Impax World Foundation.
